### RAW Series

[www.runacrosstheworld.com](http://www.runacrosstheworld.com)

**Run Across the World Series** is RAW – 5 days, 250km of intense running on the world's toughest trails in severe weather conditions: the scorching desert heat, the humid mountain ranges and the paralyzing arctic cold.

**RAW** is a set extreme ultra-marathons limited exclusively to a maximum of 300 die-hard competitors who are not afraid to explore their limits.

Your first challenge is to be one of those 300. Are you determined enough to be better than the rest?

When you enroll in a RAW event, you're in for the toughest challenge of your life.
